

Save Florida's Trauma Care

It's Critical

FAST FACT: Florida Statute 395 requires hospitals to maintain advanced levels of readiness in order to be a licensed trauma center.

ALLIANCE MEMBERS

Situation

The Alliance to Save Florida's Trauma Care is a unified force of healthcare providers. We are dedicated to maintaining trauma care in Florida. Our members are composed of every trauma center in Florida, statewide healthcare advocates and statewide business organizations. The Alliance's mission is to educate Floridians about the importance of our state's trauma centers and work to ensure adequate funding for their future operation.
